to end of February under other items of the current year's budget.	and actual expenditure.
IV. Consideration of the desirability of laying the whole pipe system of the Town, the required pipes having mostly arrived.	The Board are of opinion— (1) that the laying of the pipe lines should be completed as soon as possible, and that provision should be made for installing flushing tanks wherever stand pipes are on the pipe line. (2) that provision be made for the septic tanks and other outfall works in connection with the main sewers in the next year's budget, and an estimate be prepared for the required works.
V. Proposals to increase the pay of the accountant, second and third clerks of the Chairman's office as per proposals submitted.	*Resolved* that the scale of the office establishment be reconsidered and progressive salaries provided and that a Sub-Committee consisting of the Chairman, Vice-President and Mr. M. C. Ranga Iyengar be formed to consider and lay proposals at the next ordinary meeting.
VI. Executive Engineer's letter No. 237, dated 23rd March 1905, *in re* "the report on the Sanitary Improvements of the Mysore City" prepared in connection with the Bombay Health Exhibition.	*Resolved* that the Government be moved to sanction the expenditure for getting the report printed for the Trust, and to consider the advisibility of supplying copies for the Municipalities and Local Boards.
VII. Letters dated 25th March 1905 and 24th March 1905, from Rev. Mr. G. W. Sawday and Miss Moore of the Zenana Mission, respectively, representing that the cost of the land allotted to the Wesleyan and Zenana Missions is very excessive, and requesting that the subject may be reconsidered and the price of the land lessened.	*Resolved*, in consideration of the fact that the land was surrendered by Rev. Mr. Sawday without any objection at cost price, that the area required by the Mission be sold at one anna per square yard.
